Creating Golden Standards in ARCHITECTURAL HARDWARE

Architectural hardware is a game of achieving balance of functionality and dependability.

At Panther Gold, we deeply believe in these words and take the concept even to a higher level. We strive to provide creations that are designed and crafted with the utmost creativity, all in order to bring your vision for the desired decor to life.

We provide a wide range of hardware and related accessories, fittings in a wide range of materials, finishes, and sizes to complement any type of residential, retail, or corporate interior design.

We can provide you with a higher standard of products because of our commitment to fulfilling your imagination and our unwavering focus on the finest offerings. Our fixtures, accessories, and hardware are crafted to improve the look and feel of your home and lifestyle.

We've never settled for anything less than the best in our years of operation, and it shows. Every interaction with our large network of dealers, scores of business clients, and our loyal customer base, without whom none of our efforts would have been possible, demonstrates this.

We have a thorough understanding of our clients' requirements. We know exactly what you want, so we compiled a list of products just for you.

We invite you to let your imagination run wild with Panther Gold.
